FRENCH ROCKS CIRCLE.

Proceedings of the Local Fund Board of the French Rocks circle at a meeting held on the 15th of July 1896.

PRESENT.

P. Panchanatha Rao, Esq., Sub-Division Officer and President.

Official Members.

1 Mr. Hussan Ali Beg, Amildar of Seringapatam.
2 Mr. V. N. Guru Rao, Amildar of Mandya.

Non-Official Members.

1 Mr. Mallappa of Malvalli.
2 „ Krishnappa of Krishnarajpete.
3 Mr. Govindappaiengar, Inamdar Member.

ABSENT.

Official Members.

1 The Civil Surgeon of Mysore.
2 The Executive Engineer, French Rocks Division.
3 Mr. Venkata Rao, Amildar of Krishnarajpete.
4 The Amildar of Malvalli.
5 The Amildar of Nagamangala.

Non-Official Members.

1 Mr. Ramanna of Mandya.
2 Mr. Garudachar of Nagamangala.

This meeting was convened in order to prepare the supplemental budget of expenditure for the year 1896-97 for submission to Government for sanction.

2. Read Mandya Amildar's report No. 26—28, dated 14th July 1896, forwarding Mr. Ramanna's letter informing that he could not attend the meeting, and recorded.

3. Read statements of receipts and expenditure incurred by Public Works Department and by Revenue authorities during the twelve months; and that of expenditure under civil charges till the end of March, and recorded.

4. Read statement of works from the Executive Engineer, requiring allotment during the year. This statement included works which remained unexecuted on the 1st of July 1896 and also certain works which had not been included in the original budget. Among the latter are railing the bunds of the marginally noted tanks and sides of embankments of Seringapatam-Channarayapatam road. These works are original works, and as there are no sufficient funds to spare for them it was resolved that the first four works be reserved till next year, when their necessity or otherwise will be considered. Another reason for rejecting them was that funds are to be necessarily provided for the incomplete works. Rs. 1,282 were allowed for the last work.

	Rs.
1. Channappanakatte tank ...	1,636
2. Devirammanakere ...	1,294
3. Malvalli tank ...	6,033
4. Sides of embankment of Seringapatam-Channarayapatam road	812
5. Constructing rough stone revetment and parapets to bridges and tunnels on Maddur-Sivanasamudram Cauvery falls road.	1,282

5. Among the works under "Repairs, communications" were entered two items, (1) making good the damages caused by rains on French Rocks Station-Nelligere road at Rs. 1,568 and (2) special repairs to bridges and drains on the same road at Rs. 93.

A provision of Rs. 2,000 has been made in the current year's District Fund budget for the special repairs to the above road. So these works may be carried out from the sum allotted in the budget. It was thought not necessary to include the items in the supplemental budget. A sum of Rs. 1,003 is required for repairing the damage done to the Yadiyur-Tiptur road. This is an incomplete work. The Board passed the sum. There was another item under the above head; this was also an incomplete work. For this work (special repairs to Bangalore-Mysore road *via* Kankanhalli) the Executive Engineer wanted Rs. 5,000. But the Board expressed that such a large sum cannot be spared at one time, so only a sum of Rs. 3,000 was allowed for the work this year. A requisition for an additional sum of Rs. 1,000 under Reserve was made. There seemed no necessity for this provision, as there is already a provision for Rs. 1,000 in the budget.

6. There was an item to repair tents at a cost of Rs. 69. The Board, seeing no reason why the charge of repairing tents should be met from District Funds, refused to pass the item.

7. A provision of Rs. 400 has been made under the head "Contribution towards bangalo repairs" and passed.

8. A requisition for Rs 3,200, being the contribution towards the construction of the dispensary buildings at Seringapatam and French Rocks, is made.

There are buildings at present for the above purposes in both the places, and there being no funds at the disposal of the Board, the proposal to construct new buildings was rejected.

9. Read docket No. 529 of the 14th instant, from the Executive Engineer, *anent* special repairs to Lingaraj chattra-Kallahalli road.

Resolved that the sum of Rs. 1,67.), required for the work, be passed and included in the supplemental budget.

10. Read docket No. 360 of the 13th April 1896 *anent* the repairs to be executed to the Krishnarajpete-Nagamangala road.

Resolved that the amount of Rs. 234, required for the work, be passed.

The sum thus allowed to Public Works Department has come up to Rs. 7,364.

11. Read statement of incomplete works under Revenue authorities and passed.

12. Read Government Official Memorandum No. 11379-86—L. F. 61-96 of the 8th April 1896, *anent* proposals for works under Local Funds General during the year 1896-97 and in connection with the above the statements received from the Amildars. The proposals made by the Amildars and members were passed and resolved to submit the same for the sanction of Government

P. PANCHANATHA RAO, *President and Sub-Dn. Offr.*
